

JUNIOR GAME DESIGNER

Vivid Games is one of the leading polish mobile game developers. For over a decade we've been working on some amazing games including **Real Boxing**, the world's best and most recognizable mobile boxing franchise. We are a **team of over 70 passionate individuals** on a mission to entertain players with great games. We're innovative and dynamic. We work in small, Agile teams and foster our culture and the quality of work environment. The games we publish are developed by internal teams and external studios as well as from publishing program. We *work remotely*, having offices in Bydgoszcz and Warsaw.

Join the **team of Real Boxing** and grow as a **Junior Game Designer** with Vivid Games! You'll deliver players' experiences of the highest level while working closely with the industry experts - senior designers, programmers, artists, testers and game analysts.
